Termination Orders From Across California

Every order in this collection is a CR-418 Order on Petition to Terminate Sex Offender Registration, signed by a judge of a California superior court, granting a petition that Attorney Joseph L. Coimbra filed and carried forward on behalf of a California Registrant. The orders begin with the most recent and move from one county to another with each page.

These orders are a small sampling. They are hardly exhaustive of the termination orders Mr. Coimbra has won for Registrants throughout the state of California, let alone exhaustive of the firm's victories across the full range of post-conviction remedies.

Each client's name, birthdate, address and registration number have been blacked out to protect that client's privacy, and the final digit of each year has been masked. The court, the case number, the filing stamp and the judge's signature appear as they do on the original.
